500+ PROJECTS DELIVERED	2017 FOUNDED	MBE/WBE CERTIFIED	DC·MD·VA SERVICE AREA
-----------------------------------	------------------------	-----------------------------	---------------------------------

Actaeon, LLC is a minority and woman-owned heavy civil contractor and environmental firm founded in 2017 and based in Prince George's County, Maryland. We design, build, and maintain stormwater infrastructure, restored streams and shorelines, concrete and masonry work, and landscapes across Washington DC, Maryland, and Virginia.

Since 2017 Actaeon has completed more than 500 construction, maintenance, landscaping, and consulting projects across the DMV, with leadership experienced in managing large-scale public infrastructure work. Because we both build and maintain what we install, we understand how our work performs across its full service life — and where it tends to fail.

CORE CAPABILITIES

Construction. Actaeon self-performs heavy civil and environmental site construction, including natural channel design stream restoration, stormwater BMP/LID construction and retrofits, grading and earthwork, erosion and sediment control, and marine construction. Concrete capabilities include sitework and infrastructure-grade flatwork — sidewalks, ADA-compliant ramps, curb and gutter, aprons, pads, and structural repairs — as well as patios, walkways, driveways, and retaining walls.

Maintenance. Actaeon keeps landscapes healthy and stormwater infrastructure fully functional long after installation. Services include BMP and SWM facility maintenance, vegetation management, precision planting, arboricultural pruning, turf maintenance, and sediment and debris removal.

Design-Build-Maintain. This integrated model gives clients a single accountable partner across the full asset lifecycle — one firm responsible for the outcome, not a chain of subcontractors pointing at each other.

WHO WE SERVE

GOVERNMENT & INSTITUTIONAL

- Federal, state, county, and municipal agencies
- Watershed and parks authorities
- General contractors and prime contractors
- NGOs and conservation organizations

COMMERCIAL

- Commercial property owners and business owners
- Retail, office, and industrial sites

PROPERTY MANAGEMENT & HOAS

- Property managers and management companies
- Homeowners associations and condo boards
- Facility managers and multi-site operators

RESIDENTIAL

- Homeowners — drainage, hardscape, and landscape
- MHIC-licensed for Maryland home improvement work

PAST PERFORMANCE

Actaeon has completed projects for government, NGO, and private clients including:

- U.S. Army Corps of Engineers (USACE)
- Architect of the Capitol
- Washington Suburban Sanitary Commission (WSSC)
- DC Dept. of Energy & Environment (DOEE)
- Maryland Dept. of Natural Resources (MD DNR)
- Maryland State Highway Administration (MD SHA)
- Maryland-National Capital Park & Planning Commission
- Montgomery, Howard, Prince George's, Baltimore, Anne Arundel, Harford, and Charles Counties
- PEPCO / Exelon
- Capital Bikeshare
- Audubon Naturalist Society

CERTIFICATIONS, PRE-QUALIFICATIONS & LICENSES

BUSINESS CERTIFICATIONS

- MDOT MBE / SBE / DBE / ACDBE
- Prince George's County CBMBE, CBB, CBSB
- WBENC WBE / WOSB
- Montgomery County LSBRP Certified
- Virginia SWaM

LICENSES & APPROVALS

- MHIC #163969 — Maryland Home Improvement Contractor
- Maryland Licensed Marine Contractor
- WSSC Approved Supplier
- Maryland SHA Yellow Card
- Maryland Pesticide Applicator's License; Right of Way and Weed Applicator's License

TECHNICAL CERTIFICATIONS

- Chesapeake Bay Landscape Professional (CBLP) Levels 1 & 2
- MBSS Physical Habitat Assessment Certification
- Maryland Biological Stream Survey Certification

SAFETY & STANDARDS

- CPR, First Aid, OSHA 10
- OSHA / MOSH safety compliance
- NALP professional standards
- Bonded — individual contract bonding capacity available upon request

NAICS CODES

- 237990 — Other Heavy & Civil Engineering Construction
- 238910 — Site Preparation Contractors
- 541620 — Environmental Consulting Services
- 561730 — Landscaping Services
